# Hot hands and Determination

We were getting ready for \_\_\_\_\_ Adjective Lake, had the \_\_\_\_\_ Noun pretty well set up, and I was going around the \_\_\_\_\_ Noun checking to make sure everything was secure (this was a couple days before we were to \_\_\_\_\_ verb). Anyway, I was \_\_\_\_\_ Verb - Present ends in ING a back \_\_\_\_\_ Noun by the \_\_\_\_\_ Noun and decided it would be best if I could actually lock it closed. I got out my \_\_\_\_\_ Noun to put on a bracket, so I could lock it with a \_\_\_\_\_ Noun. Well, it seems that year, the \_\_\_\_\_ Noun was pretty high in that area and there was a little bit of a breeze, but I knew there was a \_\_\_\_\_ Noun right by the gate. Sure enough as I'm \_\_\_\_\_ Verb - Present ends in ING along, all of a sudden I start to smell smoke and I \_\_\_\_\_ verb down and there's a pretty good fire going. I thought, no problem, I'll grab the \_\_\_\_\_ Noun and put out the fire. Well. It seems that I was busy \_\_\_\_\_ Verb - Present ends in ING on the outside of the closed \_\_\_\_\_ Noun and the hose was on the inside - again, no problem, I would just open the \_\_\_\_\_ Noun. Trouble was, I decided to grab the gate right at the point where I was welding and so promptly fried a good part of the \_\_\_\_\_ body part and inside of my fingers and the \_\_\_\_\_ body part. I'm talking \_\_\_\_\_ Adjective \_\_\_\_\_ color blisters and \_\_\_\_\_ body part peeling off. Well that's not going to keep me from the Big Lake trip so I put the fire out, wrapped my \_\_\_\_\_ body part in some gauze, finished the job, and had a very \_\_\_\_\_ Adjective drive north.
