# Geocaching Adventure

At the HQ Block Party my new friend \_\_\_\_\_ (geocacher username) who has \_\_\_\_\_ ( # of finds ) and I decided to go on a Noun adventure to \_\_\_\_\_(place). On the trail to find the cache we met an international geocacher named \_\_\_\_\_ (international cacher username) from \_\_\_\_\_ (Country). We joined them and their geo-pup \_\_\_\_\_ (find a geo-pup and get their name) on the hunt for my favorite cache \_\_\_\_\_(what is your favorite cache).
