Wedding word libs

My name is _____First Name of a Person_____. I've know the bride/groom/couple since _____Year_____. When I heard that Norma and Josh were engaged to be married, I _____Year_____ and then I screamed _____Year_____! I wish the happy couple adjective pural noun for many, many years to come. My really brilliant advice? Don't forget to verb before and after you verb and ESPECIALLY after you verb. Norma, you should always verb Josh's noun, and Josh, you should always verb Norma's noun. Best Wishes!
