Triad

Once upon a time a company called cantaloupe was ready to expand into the city of (_____City_____).

It was a city that had a lot of promise and could elevate cantaloupe in their goal of ruling the video storytelling space.

(_____Name_____) was looking fresh out of (_____College_____) and looking for a job.

He/she was a very (_____Adjective_____) person.

He/she face resembled the face of a (_____Animal_____) and was very proud of his/her very huge (_____Body Part_____).

When (_____Name_____) had first heard of cantaloupe he/she couldn't wait to reach out to Jon to learn more about the company.

Their first meeting went well.

Jon flew out to (_____City_____) to finally meet this potential new marketing/sales associate.

(_____Name_____) was very (_____Emotion_____).

'hello (_____Name_____), my name is Jon DiGregory," he said, "but my employees call me (_____Nickname_____)".

(_____Name_____) thought jon was very handsome and wondered if he was single.

He/she could almost forgive the slight smell of (_____Food_____) on his breath.

"Very pleased to meet you", (_____Name_____ responded. "I can't wait to start working for you. ".

Three weeks later (_____Name_____) flew out to indianapolis for training.

This was important since things like process, quality and teamwork important at cantaloupe.

Becoming familiar with these things was necessary. But most of all He/she was (_____Emotion_____) to meet the crew.

Each employee was different in their own way.

Chip

was very (_____Adjective_____) and had a supportive attitude.

Trena was friendly as well. Maybe too friendly...she reached out and firmly grabbed (_____Name_____)'s (

_____Body Part_____) and said "I look

forward to working with you"

Vicki was currently bickering with Chris over his recent (_____Sports Injury_____).

Christian and Kurt were playing a (_____Adverb_____) game of badminton. Christian yelled (_____Curse Word_____) as

he added another loss under his belt.

Lain was nose deep in a dictionary looking up how to spell (_____Random Word_____).

Cubby was in his office listening to the sweet sounds of (_____Musical Artist_____). His voice was as (

_____Adjective_____) as a (_____Animal_____) and sounded a little bit like (_____Female Singer_____).

Lastly JD was sitting at his desk picking at his plate of gluten free (_____Food_____).

Along with (_____Name_____)'s employee handbook, he/she learned about how and where to network, what to

look

for in a freelance

videographer and most importantly, was taught their golden circle which is...(everyone will recite)

After (_____Name_____)'s time at cantaloupe he/she was very excited to help cantaloupe expand into (

_____City_____).

It was a new era for the company and every one lived happily ever after.

The end.
