The Gap Model

Once there was a girl with _____ Adjective _____ lips and ponytail kink. She thought she was the most
_____ Adjective _____ girl in the _____ Noun _____. However, she was wrong.

She decided that she wanted to go to school with her friend, so she got her _____ Noun _____ to sign her up. She
thought it would be _____ Adjective _____ to tell all her new classmates that she was a _____ Adjective _____ model.

Because she dressed like a _____ Noun _____, all the boys believed her. All the girls knew though.

After spring break, she came back to school and told everyone that she spent her time off _____ Verb - Present _____
_____ ends in ING _____ a commercial. But not just any commercial. The Gap swing dance commercial! She told them that
she was _____ Verb - Present ends in ING _____ the khakis she got on the set because they got to _____ Verb _____ the
_____ Noun - Plural _____.

Unfortunately for her, people had seen the commercial before school was dismissed for spring break and
everyone made fun of her for being a _____ Adjective _____.
