A Movie Plot

The movie Chip-wrecked is about chipmunks getting stranded on an _____Noun_____. They try hard to survive but it's hard to find good _____Noun_____. One day later they end up fighting over a _____Noun_____ like a bunch of wild puppies. Then they meet this girl named Zoe and she tricks the girl chipmunks into getting _____Noun_____ on the island. Brittany and Alvin end up having to build a house out of _____Noun - Plural_____ from the beach because Simon got bit by a _____Noun_____ that messed up his brain and made him all _____Noun - Plural_____. Brittany's house was way bigger and better then Alvin's.

The whole thing started just by the chipmunks flying off a _____Noun_____ ship on a _____Noun_____ and landed on the island. At night they made a _____Noun_____ with wood on the beach to stay warm because it was chilly. But, Theodore just ended up blowing it out and made them all cold again. There's many more exciting events that happen during the chipmunks island adventure.

At the end they make a _____Noun_____ boat and sail out into the ocean with their dad Dave. Then a _____Noun_____ finds them and takes them to their original destination the music awards contest. This is a fun and funny must-see movie.
