Mud Run

On the 20th of May this year we had an excellent time at the mud run at Riverview Middle School in Plymouth
Wisconsin. The first event was fun jumping through kiddy pools and dodging obstacles. The slide was
wet and it was funny watching people slide down. We also did a cool -aid run with the cup
fulled to the top, we got soaked. Now it was time for the Mullet River.
We had to get on a tube and verb - Base Form with our to get to Mr. Hoopman. Our
legs and shoes got all wet and muddy. The Golf ball on a tee we did next. We had to run through
water and balance the golf ball on our hand. Oh joy, not really, next we had to flip
a heavy tire three times. Which I found annoying and very boring.
Okay, I saw Mr. Larsen and was ready for the gunny sack race with my partner, Taylor. Unfortunatly, I fell on
my like three times! The army crawl I was not looking forward to. But it was next and Taylor
was so far ahead of me. The last event was a bean search through Our hands and shirts got all
full of oatmeal and it looked nasty!
