the best class is lunch

The best class is Noun . You get to see all of your Noun - Plural and the best part is you get to Verb . Most of the Noun - Plural are good some taste bad. Lunch is the best part of the day. You get to Verb with your friends. Sometimes we Verb around by Verb - Present Tense with some people. After we are done eating we can go outside and Adjective around and hang out. Other Noun - Plural like to Verb with use so we Verb with them like Noun them to death. For some reasons people like to bring type of liquid or food outside and after done they like to Verb so we pick it up. When the bell Noun - Plural that means that we have to go in for are Adjective class. That is why Noun is my favorite class.
