Cross-Section of a Dichotomous Key

It was a Adjective, Adjective day. I sat outside sipping on my Part of Body fluid. I heard a Animal ripping and Verb - Present Tense its prey many Unit of Measurement to the south. I decided I would Verb over to my favourite restaurant, Person in Room mom, later that day. I began my long voyage after a Adjective Verb session. I asked myself, why in the world would I ever Verb over to Country east coast when I could just Obscene Action outside and dip into my luxurious tendencies for Animal Part of Body?
