# To Survive....

To stay away from a/an Noun you have to follow these Adjective rules.

1. Use a Noun to make it scared. It will verb and cry.

2. Find a Noun and make Adjective noises.

3. It will run away now.

4. Make sure it is long gone before you start Verb - Present ends in ING again.

5. You will now have stayed alive and will continue your Adjective life.

I hope that this helps. Have a/an Adjective rest of the day.
