I have prayed for you. He _____ your name.'

A _____ Entry (translated from _____): 1880

I have _____ the greatest terror. I have _____ the greatest terror. I have _____
the

greatest terror. I see his _____ when I close mine. They are _____. _____. They saw me and pierced _____. His wet _____. I will not _____. His _____ (unintelligible text).

A _____ Log: 1691

He came to me in my _____. From the foot of my _____ I felt a _____. He took _____. We must return to _____. We shall not return here again at the request of the _____.

From a _____: 2006

Three years ago, I had just returned from a trip from _____ Falls with my _____ for the 4th of _____. We were all very _____ after a long _____ of _____, so my _____ and I put the _____ right to bed and called it a _____.

At about 4am, I woke up thinking my _____ had gotten up to use the _____. I used the moment to steal back the _____, only to _____ him in the process. I appologized and told him

I though he got out of _____. When he turned to face _____, he gasped and pulled his _____ up from the end of the _____ so quickly his _____ almost knocked me out of the _____. He then _____ me and said nothing.

After adjusting to the _____ for a half second, I was able to see what caused the strange _____. At the foot of the _____, sitting and facing away from _____, there was what appeared to be a naked _____, or a large hairless _____ of some sort. Its body _____ was disturbing and unnatural, as if it had been hit by a _____ or something. For some reason, I was not instantly _____ by it, but more concerned as to its _____. At this point I was somewhat under the _____ that we were supposed to help him.

My _____ was peering over his arm and _____, tucked into the fetal _____, occasionally glancing at me before returning to the _____.

In a flurry of motion, the _____ scrambled around the side of the _____, and then crawled quickly in a _____ sort of motion right along the _____ until it was less than a _____ from my _____ face. The _____ was completely silent for about 30 _____ (or probably closer to _____, it just seemed like a while) just looking at my _____. The creature then placed its _____ on his _____ and ran into the _____,

leading to the kids' _____.

I screamed and ran for the _____, planning to stop him before he hurt my _____. When I got to the _____, the _____ from the bedroom was enough to see it crouching and hunched over about 20 feet away. He turned around and looked directly at me, covered in _____. I flipped the _____ on the wall and saw my _____ Clara.

The _____ ran down the stairs while my _____ and I rushed to help our _____. She was very badly injured and spoke only once more in her short _____. She said "he is the _____".

My _____ drove his _____ into a _____ that night, while rushing our _____ to the _____. He did not _____.

Being a small _____, _____ got around pretty quickly. The _____ were helpful at first, and the local _____ took a lot of interest as well. However, the _____ was never published and the local _____ news never followed up either.

For several months, my _____ Justin and I stayed in a _____ near my _____ house.

After we decided to return _____, I began looking for _____ myself. I eventually located a _____ in the next _____ over who had a similar _____. We got in contact and began talking about our _____. He knew of two other people in _____ York who had seen the _____ we now referred to as the _____.

It took the four of us about two solid _____ of hunting on the _____ and writing _____ to come up with a small collection of what we believe to be accounts of the _____.

None of them gave any _____, _____ or _____. One _____ had an entry involving the creature in its first 3 pages, and never _____ it again. A _____ log explained nothing of the encounter, saying only that they were told to leave by the _____. That was the last entry in the _____.

There were, however, many instances where the _____ visit was one of a series of _____ with the same _____. Multiple _____ also mentioned being spoken to, my _____ included. This led us to wonder if the _____ had visited any of us before our last _____.

I set up a digital _____ near my bed and left it running all night, every night, for two _____. I would tediously scan through the _____ of me rolling around in my _____.

each day when I woke up. By the end of the second _____, I was quite used to the occasional _____ of sleep while blurring through the _____ at 8 times the normal speed. (This still took almost an _____ every day)

On the first _____ of the third _____, I thought I heard something different. What I found was a shrill _____. It was the _____. I can't listen to it long enough to even begin to _____ it. I haven't let anyone _____ to it yet. All I _____ is that I've heard it before, and I now believe that it spoke when it was sitting in front of my _____. I don't remember hearing anything at the _____, but for some reason, the voice on the _____ immediately brings me back to that _____.

The _____ that must have gone through my _____ head make me very upset.

I have not seen the _____ since he ruined my _____, but I know that he has been in my _____ while I slept. I know and _____ that one night I'll wake up to see him staring at me.
