Nigel Barnes

1. Proper Noun _____

Nigel Barnes

Nigel Barnes was a simple man. As he sat at his desk reading The London Times, he wondered why. Why would the notorious group known as "The Internationals" decide to rob Paris's golden jewel museum. The Louvre housed dozens of paintings, but why now? The paper said that the robbery had been clean, with the death of only two security guards. But there were many paintings stolen. With that, Barnes slammed the Times down. It made him mad. "_____Proper Noun_____?" It was his secretary, Cynthia. She was a tall, attractive blonde in her middle twenties, with dashing blue eyes. " Yes? " said Nigel.
