# Best class ever

The best class I ever had was the \_\_\_\_\_ fest. We got out of \_\_\_\_\_ early to go outside to have \_\_\_\_\_ . There were a lot of oppsticles that were \_\_\_\_\_ and gross and a lot of them got you soked . The fisrt one I did was went in the \_\_\_\_\_ on a tube. One of them I had to slush around in \_\_\_\_\_ and try to find \_\_\_\_\_ . My favorite was the \_\_\_\_\_ slide. It doesn't make much sense though cause the mud slide was made of \_\_\_\_\_ and water. That was my favorite \_\_\_\_\_ .
