Best class ever

The best class I ever had was the <u>Noun</u> fest. We got out of <u>Noun</u> early to go outside to have <u>Noun</u>. There were a lot of oppsticles that were <u>Noun</u> and gross and a lot of them got you soked . The fisrt one I did was went in the <u>Noun</u> on a tube. One of them I had to slush around in <u>Noun</u> and try to find <u>Noun - Plural</u>. My favorite was the <u>Noun</u> slide. It doesn't make much sense though cause the mud slide was made of <u>Noun</u> and water. That was my favorite
