## **Invertebrates vs. Vertebrates**

For my birthday, my parents took me to the beach. I love the beach because there are so many things to see. A
lot of the things at the beach are classified as because they do not have a backbone. I like to
find at the beach and take them home. Some people eat types of for dinner. Other
people eat which is an arthropod. One thing I do not like is They can really sting
you. I also like to watch birds and fish in the ocean. These are called I have seen whales and
dolphins which areAdjective
