Ed and the Aliens

_____First Name of a Person_____ ran around his neighborhood like a _____Noun_____. Without a care in the world he just ran. This is mostly because of what _____First Name of a Person_____ is... and _____Noun_____. He has no cares because he has no mind, so he just runs and runs. At night he falls to sleep like any _____Adjective_____ boy but wakes up to repeat everything again. Such is the very _____Adjective_____ life of _____First Name of a Person_____. _____First Name of a Person_____ continues his run on a fine summer morning when a _____Adjective_____ _____Adjective_____ light falls from the sky landing in front of him. Being curious _____First Name of a Person_____ reaches out and _____Verb - Base Form_____ it, instantly he begins to float toward the source of the light. Scared _____First Name of a Person_____ flails and screams all the way to the top not noticing the ship he is being sucked into. Opening his eyes _____First Name of a Person_____ realizes his floating has stopped but is now surrounded by a variety of _____Creature_____ creatures. _____Creature_____ quickly put him to sleep by knocking him over the head; this was most likely done to stop his _____Verb - Base Form_____. They begin to operate on him for research but deem him too _____Adjective_____ and they learn nothing. So they replace his brain with a _____Adjective_____ alien one that surpasses any human's intellect and they attach a spy system also for surveillance. Then finally adding in a _____Noun_____ they send him back to Earth. 28 years later _____First Name of a Person_____ was celebrated as a _____Adjective_____ _____Noun_____ for all of his many tools and contraptions he had made. His first? A spy _____Noun_____ that can be implanted into the mind. The mind _____First Name of a Person_____ had received was so advanced he knew about the spy chip inside and how to remove it safely. Now he lives a comfortable life instead of his previous one as a bumbling idiot.
