6. Noun _____

My Dog

My dog is really _____Adjective_____. Her name is Kate, and she has short blonde hair. She is a _____Noun_____ lab, but is very _____Adjective_____. I have had her since I was seven years old, and she has been the best pet ever! She always welcomes me at the door when I get home from school and loves to chase cars. Sometimes she gets scared during thunderstorms and will hide in the closet or in a laundry basket. We call her our broken dog sometimes because of her weird habits. There are days where she is very calm and just _____Noun - Plural_____ around the house, and other days where she is extremely hyper and wants to be taken on lots of walks. I love _____Proper Noun_____ and I could never have asked for a better _____Noun_____.
