5. Noun _____

Hunting

We all went on a hunting trip to bring in a big _____Noun_____. The first thing to do was prepare all the _____Noun - Plural_____. Then get the machines gased up. After that head to the _____Adjective_____ area. When we got there we got every thing unloaded, and let the dogs go. Then a few minutes later we heard a _____Verb - Base Form_____ squel it was at least 200lbs when we got up there and saw it. The hunting trip had to end early because one of the _____Noun_____ got hurt.
