the great life of grilled cheese!!!

One day there was this young 10 year old girl who loved to cook most of all she would cook _____Proper Noun_____ _____Noun_____, that was her best piece of food she has made ever in her life. Wen she turned 12 years old she would make grilled cheese for 6 people in her family. She would make it either for breakfast, lunch or dinner. No matter what she would make grilled cheese for those same people. When she finally turned 13 years old she made more grilled cheese for 6 more different people and all those other 6 people loved my grilled cheese. They could not get enough of my grilled cheese they wanted me to make them more the next weekend. So that is my story... BLAH!!!
