## when you say!

1.	Noun
2.	Adjective
3.	Verb - Present Ends In Ing
4.	Adverb

## when you say!

when you say that	Noun	is Adject	do you really mean it, or when you say that		
Verb - Present ends in ING	is	Adverb	, do you mean that? well when i say something i guess i rea	ılly	
mean it. but when you say something, think about it before you say it. i made that mistake once!
