# My Perfect Local Summer Day

To start the day off, I ate a \_\_\_\_\_ Adjective breakfast of \_\_\_\_\_ Adjective bread with jam and butter, soft boiled \_\_\_\_\_ Noun - Plural and freshly squeezed \_\_\_\_\_ Noun. I put on my favorite hooded \_\_\_\_\_ Noun, from Red \_\_\_\_\_ Proper Noun Design, and headed out the door into the cool \_\_\_\_\_ Noun. I hopped on my \_\_\_\_\_ Noun and headed for the hills! Today my mission was to climb Chuckanut Ridge. Whatcom County is spectacular this time of year. I especially love the green of the trees and the flowering shrubs. After a grueling but rewarding climb, I reached my destination. Time for lunch! I reached into my picnic basket and pulled out a Cuban sandwich from Old World Deli, Fiamma's famous rosemary lemonade, and a salad I got at the Food Coop's deli. Delicious!
