3. Land _____

Sky Princesses

Sky princesses are princesses that go in the sky in the Disney movies.

Jasmine was first. She went with Aladdin and Boo, Aladdin's _____Animal_____. She went on a magic

_____Peice of furnutie_____.

Ariel is next. You may think she did not travel to the sky, but think about it. If you lived under the _____land_____

and came onto the shore it would feel like sky.

I would love to be a sky princess, would you?
