Terry Tatum - Tyler Lotta Bandz

There was a boy names Tyler Lotta Bandz that was born a normal kid growing up in Columbus Ohio. His parents were two very successful people. His mother was a doctor and his father was a Noun player. Tyler was a great kid; he was all Pronoun parents ever wanted. He had good grades in school, he was healthy, and he was very obedient to his parents.

Tyler's friends wanted him to play street football with them one day. That day had changed his whole life. First name had got hit super hard and got put in the Location. There was something weird going on with Tyler; his heart was beating but he was not Verb ending in ing for a whole day. When he woke out of his comma he was the strongest, smartest, most athletic young man ever known.
