"It's picking up!" I said to my best friend Jessica. Suddenly, the phone picked up." you are the Adjective caller". We started Verb - Present Tense. We had just won a contest on kiss92.5 to spend a week with One Direction!

I rolled my suitcase across the airport, feeling pretty nervous. We were supposed to meet One Direction here.

Just then, five boys came to view. I clutched Proper Noun arm. "That's them!" I almost shouted.

ding,ding The flight attendant announced, "we will be landing in Adverb minutes." Next to me, Louis yawned. "I'm pretty tired.""Yeah, but at least we are almost in Proper Noun!" I said. but more than tiredness, I was more Verb - Past Participle. we were heading to a place that promised to be a week of fun. I smiled back Adverb at Louis, exited.
