Banana Man

Banana Man is a/an Adjective villain with the power to turn Noun - Plural into bananas. His greatest triumph is outsmarting the Adjective Fruit Killer. He somehow managed to do this by Verb - Present ends in ING the Fruit Killer into a Noun. He then Verb - Past Tense him in the Part of Body with a Noun. I highly suggest that you don't take the path of Banana Man and end up Verb - Present ends in ING yourself with a Noun.
