The Two Dancers at YDSW...

Once upon a time there were two who traveled far and wide to attend ABT's You	ing Dancer		
Summer Workshop in New York City. Proper Noun was from Proper Noun and Proper Noun and Proper Noun and Proper Noun New York City.	oper Noun		
was from They were both so because they had never be	en to a		
summer before! Their first class was taught by a former from ABT,	which was		
very They happened to next to each other at the barre and verb	- Past		
because they were both wearing the same style of It was like they were me	ant to be		
best !! Plus, they both shared the dream of verb - Present Tense in ABT's	Noun		
one day!			
When the workshop was finished, they exchanged email Noun - Plural and Pronoun so they could			
stay in contact. They hoped to be able to together again one day in the future!
