# Marimbas are Cool

So this one time, Abby found a Noun in Rachel's house. She decided that it was pretty Adjective looking and wanted to play it. But she couldn't find any Noun - Plural. She was very emotion.

Abby went outside and found some Noun - Plural on the ground. "Those would work great!" thought Abby. She brought them inside, but before she could play the emotion, she realized that someone had stolen it! Abby Verb - Past Tense around the house and saw First Name of a Person closing the back of a moving truck and driving away. Abby took a Noun out of her pocket and threw it at the tires. The car tires popped and the van stopped. Abby ran up to it, took the first noun back, and played. She was very emotion.
