# The Craziest Day Ever

This is a story about you. Yes, you. So this story is told in second person.

Well one day in September you went to school. When you got there, \_\_\_\_\_ Someone From Our School was sitting in the lobby of the church. Now, we all know you think \_\_\_\_\_ First Person is way too \_\_\_\_\_ Adjective. So you decided to just walk past them.

Unfortunately \_\_\_\_\_ First Person wasn't just going to let you walk past. \_\_\_\_\_ First Person Pronoun stood up and blocked your path. "I need to tell you the truth about something," \_\_\_\_\_ First Person Pronoun said, "The truth is, I know you think I'm \_\_\_\_\_ Adjective and I want you to know that I think you're \_\_\_\_\_ Adjective."

You were taken aback by \_\_\_\_\_ First Person 's confession. "Whatever!" You say. "You're such a \_\_\_\_\_ Noun!"

I don't want to hear anymore."

"\_\_\_\_\_ Exclamation!" \_\_\_\_\_ First Person says.

But before your conversation could continue, \_\_\_\_\_ Teacher came out of the stairwell door, looking so

\_\_\_\_\_ Emotion, you thought they were going to \_\_\_\_\_ Verb - Base Form you.

"I want both of you \_\_\_\_\_ Noun - Plural to come with me!" Said \_\_\_\_\_ Teacher.

\_\_\_\_\_ First Person gasped and ran out the door of the church.

\_\_\_\_\_ Teacher looked at you for a second, then bolted out the door after \_\_\_\_\_ First Person.

You shrugged and went to advisory.

Your day was pretty \_\_\_\_\_ Adjective from there on out....until math class.

You were sitting and working on some math problems with \_\_\_\_\_ Someone From Our Class, when all of the sudden,

\_\_\_\_\_ Second Person Pronoun

started to Verb - Base Form.

"Hey! What's your deal?" You asked.

Second Person Pronoun looked at you and said, "All right, I'm really Emotion. You see, I thought

Someone From Our School was my best friend....and then Third Person Pronoun stopped talking to me! I

was so Emotion. They're so Adjective! How could they do that?"

You shook your head at Second Person and then decided your school was Adjective....

So you left and went home and watched a movie and dreamed about your true love, Boy From Our School.
