Engagement

It all began last August when Christopher proposed to Raylene. It was a beautiful Adjective day at the Location in Oregon. As Christopher held Raylene's Part of Body they Verb - Past Tense along as the glistening waves crashed on the sand. Christopher got down on one knee, pulled out a Adjective Noun, and looked adoringly into her Part of Body.

"I love you; will you Verb - Base Form me?"

Raylene shouted "YES!"

As the time went by they started counting down to their Event. They tasted delicious Noun, sampled Adjective champagne, and made invitations. They shopped for Noun and Noun and went to showers galore. Finally the day arrived for them to say I do. Family and friends gathered at Location Location to watch the Event. Mr. and Mrs. Layton lived Adjective - ending with ly ever after.
