# Neighborhood Scavenger Hunt

Today, we went on a Noun hunt around place. We've been talking about Noun - Plural in Ms. Zoe's class so today we were exploring the Adjective environment. Man, did we see a lot of Adjective things. I couldn't believe the Noun of that Noun! It's so Adjective. Pennsylvania Avenue has a lot of different Noun - Plural where you can Verb lots of different things to Verb and Verb.

But what I was really Verb - Past Tense about were all the Noun - Plural and Pronoun that we saw. I don't think about nature when I'm in the Noun. Another Adjective thing we noticed was that there were lots of Noun - Plural in the neighborhood. I'm used to seeing art in Noun - Plural but it's pretty awesome to see it outside.

I wonder what kinds of things we'll Verb - Base Form on our scavenger hunt at place Hill Park next week! Are we going to find the same kinds of Noun that we did today? I bet that there will be a lot more Noun - Plural and Noun - Plural. There probably won't be so many Noun - Plural. But what I really can't wait for is when we get to Verb Noun - Plural in the park afterwards!
