shaina and darris

Darris and Shaina met on a Adjective summer evening at a Noun. They talked about good Noun and a common love of the Adjective Noun - Plural. That night, Darris could not Verb at all. The next day Shaina was Verb - Past Participle to receive a Noun Noun from him. "Would you like to go out to Noun with me tomorrow?" he said. "I would Verb to!" Shaina replied.

That first date was Adjective, and every one after that just got Adjective. Their Adjective for each other grew until their Noun - Plural and Noun were gathered here today to Adjective their Noun. After this, they plan on living Adjective ever after.
