# Alyssa's Crazy Day

Once upon a time there was a beautiful girl named Alyssa. She had blonde hair, blue eyes, and was a joy to all who knew her. One day, Alyssa was walking through a fairy \_\_\_\_\_. She had just crossed the sunflower \_\_\_\_\_ when a mean \_\_\_\_\_ jumped out! The \_\_\_\_\_ shouted, "This \_\_\_\_\_ is only to be crossed by little girls with straight hair!". This was a big problem indeed for Alyssa because she had curly hair. She asked the troll, "please Mr. Troll, may I just cross this one time? I'm on my way to visit Tinkerbell?". The troll shouted, "NO! No one with curly hair may cross!" This was a huge problem! So \_\_\_\_\_ turned around and ran all the way back through the \_\_\_\_\_, into her \_\_\_\_\_, up the \_\_\_\_\_, and straight to her \_\_\_\_\_ for her flat iron. She spent the next 3 hours straightening her \_\_\_\_\_ with a \_\_\_\_\_ then began making her way through the \_\_\_\_\_ again. "Whew!", she thought, "at least now I can get across the bridge!" Suddenly, the wind began to blow and \_\_\_\_\_ appeared overhead. "Oh no!", thought Alyssa, "It's going to rain!". Sure enough, the rain began to pour just moments later and Alyssa's \_\_\_\_\_ instantly curled up into crazy, corkscrew curls. Alyssa arrived at the bridge where, once again, the troll jumped out shouting, "This \_\_\_\_\_ is only to be crossed by little \_\_\_\_\_ with straight hair!". Alyssa begged and pleaded with the troll but to no avail, he would not let her cross. Just as she began to turn around and head back home, she saw a tiny light in the distance. The light grew larger and brighter as it drew near, and soon she realized it was Tinkerbell! "Mr. \_\_\_\_\_!" Tinkerbell shouted, "I've had enough of you and your silly rules about curly \_\_\_\_\_. Get over yourself!" and with that she sprinkled fairy dust on his \_\_\_\_\_ and he began to sneeze. He sneezed, and sneezed, and

sneezed until he fell right off the bridge and into the water below. Alyssa gleefully crossed the bridge and followed Tinkerbell to her       Noun       for tea and crumpets. The end.
