# The Lib Survival Guide: Alien invasion

Say \_\_\_\_\_ Planet \_\_\_\_\_ was infested with \_\_\_\_\_ Color \_\_\_\_\_ aliens. What would you do? Well first you must lock all doors and guard your \_\_\_\_\_ Color \_\_\_\_\_. You can not trust anyone you should create a safety question to ask all people to see if you know them. An example is "Are you a alien." or do you like to eat \_\_\_\_\_ Food \_\_\_\_\_" because only aliens like to eat \_\_\_\_\_ Same Food \_\_\_\_\_. Set up a bunch of mirrors and a XYG. Aliens will never go to XYG so that is where you should hide with your family. If you must sacrifice a friend you always pick the person named \_\_\_\_\_ Same Food \_\_\_\_\_ because all aliens love to eat people who have that name. Also you need to sacrifice \_\_\_\_\_ Celebrity \_\_\_\_\_ because all aliens love celebrities and would praise you for giving them a famous individual. That is all for now join us again next time for all new tips on survival.
