The Human and His Chickens

Once upon a time, there was a _____ Animal _____ in a pond with all his friends swimming around like fools. There were six of them and they all had different colors on their bodies. One was dancing the "Mumbo". Another was singing "Bob The Builder". While another was doing gymnastic. And the others were laughing their butts off. A human came out to see what was all the commotion out in the pond. He looked at them like they lost their minds and brains. Then his kids came out and jump in the pond with them and started to talk to the chickens in _____ Animal _____ "language". The kids father turned around and went back into the house laughing at his kids. His _____ Animal _____ looked at him like he was just laughing at what she was wearing. The she got mad at him and started to hit him with a frying pan all around the house. Then he jumped out of the window and landed right in the big muddy pond and then his whole family started to laugh including the chickens and his friends. He was very upset and mad. His kids came and jumped in and splashed him with more mud in his face and he started to laugh. And they all had fun in the muddy pond for the rest of the day. The End!
