# The Huge Zit

One day, a \_\_\_\_\_ year old got a huge zit. She tried \_\_\_\_\_ it \_\_\_\_\_ different times and \_\_\_\_\_ different ways. The first way was simply \_\_\_\_\_ her \_\_\_\_\_ to \_\_\_\_\_ together the zit. It didn't work. She then tried using her \_\_\_\_\_ to \_\_\_\_\_ the zit. It didn't work either, it just hurt. Then she tried to use her \_\_\_\_\_ to push on it. Once again, it did not work. Then she tried just \_\_\_\_\_ for it to go away. She waited \_\_\_\_\_ weeks and it didn't leave. She finally took a \_\_\_\_\_ and just \_\_\_\_\_ it. It finally work. Then came another zit. Uh-oh...
