# Augustan Society

The people of Augusta love \_\_\_\_\_ Noun - Plural - they practically worship them, and it is said that the more

Repeat Last Noun - Plural a person has, the more important they are. A huge amount of respect is given to those who

have a lot of Repeat Last Noun - Plural, and some Augustans have been known to steal Repeat Last Noun - Plural from

others just to get ahead. Augustans often store their Repeat Last Noun - Plural in a Location, which is

operated by a private manager called a Proper Noun. Unfortunately, at times mistakes do happen, and

Repeat Last Proper Noun have been known to lose Repeat Last Noun - Plural now and again, much to the dismay of the

owner.

There are two primary groups of people living in Augusta : they call themselves Noun - Plural and

Animal (plural). Often they do not get along. Know one is quite sure why Repeat Last Noun - Plural and

Animal (plural) started fighting many, many years ago, but legend says it began with a disagreement about

a Door. There have been some major fights between Repeat Last Noun - Plural and Animal (plural) in

Augustan history. Animal (plural) go to different schools, eat at different restaurants, and do not get treated

the same. The younger generation of Augustans feel that Repeat Last Noun - Plural and Animal (plural) should

stop fighting. A young Animal (plural) and a young Repeat Last Noun - Plural even attempted to get married

once, but every church in Augustan refused to marry them because Augustans do not believe that Repeat Last

Noun - Plural and Animal (plural) should live together.

Augustans

love to eat Ice \_\_\_\_\_. The only problem is that Ice \_\_\_\_\_ is very unhealthy, and many  
Augustans suffer from diseases caused by an over consumption of Ice \_\_\_\_\_. Medical costs in  
Augusta are very high because of their love of Ice \_\_\_\_\_. Most Augustans know that they would live  
longer if they ate less Ice \_\_\_\_\_ and more \_\_\_\_\_, but they just cannot get over their insatiable  
love of unhealthy food.

The primary method of transportation for Augustans is \_\_\_\_\_. \_\_\_\_\_  
are a bit expensive, and poor Augustans are often at a huge disadvantage because they cannot afford one, but  
they are fast and effective for those who have the money. So fast, in fact, that there are thousands of \_\_\_\_\_  
\_\_\_\_\_ accidents a year in Augusta, many of which are fatal. There are currently no rules about  
where Augustans can drive their \_\_\_\_\_ or how fast they can go, which contributes to the  
large number of fatalities. \_\_\_\_\_ also require a type of fuel made out of \_\_\_\_\_  
\_\_\_\_\_ which causes a large amount of pollution and is destroying the environment of Augustan. But  
Augustans don't seem to care because they love their \_\_\_\_\_ !
