I'm not sure what alabaster is?

Once upon a time, _____
lived a family of 30 _____. These were no ordinary dragons, as
these dragons looked just like people. On the _____ they had _____, and _____ and
_____, just as human beings do, but on the inside they had livers and stomachs and blood, also like
people. Also, these dragons _____ fire. Between _____ and 12 of them were
_____. That's not important really, but, you know, it's good to be thorough with details.

One day, one of the dragons, Karl Marx, turned to another one of the dragons, Derek Jeter, and said, "yo, Jeets,
let's go find us some lady friends so we can go to Batman's _____ and be all
_____ batman, YOU GOT ANY CONDOMS _____ AROUND? EH? EH?
Y'GET IT?" so that Batman knows we toooooooaaally got laid."

"Karl, that's the dumbest idea I've _____ heard," Derek _____ responded.

Then they made spaghetti and meatballs and _____ to be dragons. The end.
