How We Met

Kyle and Jordan met at Tiffin University where he was a football player and she was a cheerleader. Kyle was often found wrangling up his crew of boys to road trip out to the bar where Jordan was bartending.

After college, they met up while he was working in Arizona... and you could say the rest is history :). Kyle, Jordan and Braxton planted their roots in Kyle's hometown and after doing a 3 year tour of Chagrin, they bought their first home on Bell Street in 2010.
