Voices in the air

I hear 'em loud and clear

Telling me to listen

Whispers in my ear

Nothing can compare

I just wanna listenAs my world turns, the heart beats

Not only in my chest, but the heart in the streets

So when they feel this, they feel me

But I can't feel nothin', outside these Dre Beats

And anyone under my bubble thats coming in my spot, for the top

Lace up Kells

Even if I told them it all they wouldn't know the half

And pull on my black coat and my black chucks and nothing in my jeans

It's just one, til the day come like Rocky's movie scene

The

day I'm on top of the world, look up the screen like this is me, this is Kells

Crucified by the public without the nails

Do or die in my city but clearly I never _____Event_____

Lost myself from the game when I found myself from the cell
