Melissa

| Once upon a time, two families grew up together. Their parents died and they were stranded on |
|---|
| an island. They had many adventures like forging for food. They lived in a tree house and enjoyed |
| seats. One time they went to an indoor water and two people were in love and |
| forced us to send messages to each other. They each other more than the sun, moon, and |
| the Noun Melissa, Rachel, and Sarah all loved making commercials to sell the Adjective gifts. |
| They made up a play where they were Princesses and royalty fighting against two bad Then, it |
| was time for Melissa to go off to, but that did not mean the adventures would end. There would |
| be many road trips and island adventures to come. |
