Student Involvement Specialists Rock

Once upon a time there was a _____ Adjective group of Student Involvement Specialists who were being trained to provide _____ Adjective customer service to all those who visit the Student Involvement & Leadership office.

One of the Student Involvement Specialists named, _____ Student Staff Name, was thinking of ways that

_____ Pronoun could make customer service more exciting. _____ Pronoun decided to ask _____ Pronoun

co-worker, _____ Student Staff Name. _____ Second Student Staff Name decided that in order to provide

_____ Adjective customer service, that each person that _____ Verb - Past Tense into the student involvement

office should receive a fluffy _____ Animal.

_____ First Student Staff Name thought this was a ridiculous idea so _____ Pronoun _____ Adverb smiled at

_____ Second Student Staff Name and _____ Verb - Past Tense. _____ First Student Staff Name then asked _____ Third

_____ Student Staff Name what he thought. _____ Third Student Staff Name decided that the best customer service always

ends with a _____ Noun - Plural and a hug. _____ First Student Staff Name thought that this was _____ Adjective

but not _____ Adjective. _____ Pronoun finally decided to ask _____ Fourth Student Staff Name. _____ Fourth

_____ Student Staff Name thought that in order to provide _____ Adjective customer service, the Student Involvement

Specialists needed to eat as many _____ Adjective treats as possible. These couldn't be just any treats, they had

to be Cassie's treats because everyone knows that Alyssa & Missy's treats are _____ Adjective but not

_____ Adjective.

_____ First Student Staff Name

decided that this was an Adjective idea and decided that treats would be provided for all Student Involvement Specialists each week!
