# Runescape quest

(quoted from The \_\_\_\_\_  
Noun \_\_\_\_\_  
Noun - Plural \_\_\_\_\_)

To start the quest, speak to the Guildmaster in the Champions' Guild, located just below the southern entrance of \_\_\_\_\_  
Location \_\_\_\_\_. After talking to him, you will be directed to Oziach, located in a tiny \_\_\_\_\_  
Noun \_\_\_\_\_ situated just south of the Wilderness and north-west of the Edgeville bank, directly north from the Edgeville lodestone.

Oziach says that, to be able to purchase a rune \_\_\_\_\_  
Item \_\_\_\_\_ from him, you will have to \_\_\_\_\_  
Noun \_\_\_\_\_ Elvarg, the \_\_\_\_\_  
Adjective \_\_\_\_\_ female dragon, residing within Crandor Isle. He will tell you to re-visit the Guildmaster for information on how to kill Elvarg.

Go back to the Guildmaster. Talk to him about the map pieces, about protection against \_\_\_\_\_  
Noun \_\_\_\_\_, and about buying a \_\_\_\_\_  
Item \_\_\_\_\_. After \_\_\_\_\_  
Verb - Present ends in ING \_\_\_\_\_ to him about the map pieces, he will provide you with a \_\_\_\_\_  
Noun \_\_\_\_\_ key. (If you do not talk to him about all \_\_\_\_\_  
Number \_\_\_\_\_ things, you will not be able to move on)

Travel to \_\_\_\_\_  
Location \_\_\_\_\_ and speak to Duke Horacio on the \_\_\_\_\_  
Number \_\_\_\_\_ floor[] of the Lumbridge Castle. Ask him about "a shield that will protect you from a dragon's \_\_\_\_\_  
Noun - Plural \_\_\_\_\_," and when he asks you which dragon you're going to use it to fight against, tell him that you will be slaying the \_\_\_\_\_  
Adjective \_\_\_\_\_ Elvarg of Crandor

.

He will then give you an anti-dragon shield and tell you a bit more about the story of Elvarg and the fall of Crandor.

To reach the island of Crandor, you need to obtain a Crandor map, but, for the safety of the Noun - Plural of Asgarnia, the map has been torn up into Number pieces and stored in different places. You need to gather each map piece from these locations to complete the Crandor map.
