Oziach says that, to be able to purchase a rune \_\_\_\_\_ Item \_\_\_\_\_ from him, you will have to \_\_\_\_\_ Noun \_\_\_\_\_ Elvarg, the \_\_\_\_\_ Adjective \_\_\_\_\_ female dragon, residing within Crandor Isle. He will tell you to re-visit the Guildmaster for information on how to kill Elvarg.

Go back to the Guildmaster. Talk to him about the map pieces, about protection against \_\_\_\_\_ Noun \_\_\_\_\_

\_\_\_\_\_

After \_\_\_\_\_ Verb - Present ends in ING \_\_\_\_\_ to him about the map pieces, he will provide you with a \_\_\_\_\_ Noun \_\_\_\_\_ key. (If you do not talk to him about all \_\_\_\_\_ Number \_\_\_\_\_ things , you will not be able to move on)

Travel to \_\_\_\_\_ Location \_\_\_\_\_ and speak to Duke Horacio on the \_\_\_\_\_ Number \_\_\_\_\_ floor[] of the Lumbridge Castle.

Ask him about "a shield that will protect you from a dragon's \_\_\_\_\_ Noun - Plural \_\_\_\_\_," and when he asks you which dragon you're going to use it to fight against, tell him that you will be slaying the \_\_\_\_\_ Adjective \_\_\_\_\_ Elvarg of Crandor

He will then give you an anti-dragon shield and tell you a bit more about the story of Elvarg and the fall of Crandor.

To reach the island of Crandor, you need to obtain a Crandor map, but, for the safety of the \_\_\_\_\_ Noun - Plural \_\_\_\_\_ of Asgarnia, the map has been torn up into \_\_\_\_\_ Number \_\_\_\_\_ pieces and stored in different places. You need to gather each map piece from these locations to complete the Crandor map.
