You've got mail!

dear First Name of a Person,

You broke the law by not wearing your seat belt, and now you must pay number dollars for thinking like

a Insulting name. I know what you are doing, you are Verb - Present ends in ING at your computer "

something you say when you are mad??!! " duh, no. And for same verb I will throw in another

number. and another number. and another number. Why do I throw in all this money? I

just don't like you.
