# gangster rap lib

Straight outta Compton, crazy Noun named Ice Cube

From the gang called Niggaz With Attitudes

When I'm called off, I got a sawed off

Squeeze the trigger, and bodies are hauled off

You too, boy, if ya Verb - Base Form with me

The police are gonna hafta come and get me

Off yo Part of Body, that's how I'm goin out

For the punk Noun that's showin out

Niggaz start to mumble, they wanna rumble

Mix em and cook em in a pot like gumbo

Goin off on a Noun like that

With a gat that's pointed at yo Part of Body

So give it up smooth

Ain't no tellin when I'm down for a jack move

Here's a murder rap to keep yo dancin

With a crime record like Charles Manson

AK-47 is the tool

Don't make me act the Adjective fool

Me

you can go toe to toe, no maybe

I'm knockin niggaz out tha box, daily

Yo weekly, monthly and yearly

Until them dumb Noun - Plural see clearly

That I'm down with the capital C-P-T

Boy you can't Verb - Base Form with me

So when I'm in your neighborhood, you better duck

Coz Ice Cube is crazy as First Name of a Person

As I leave, believe I'm stompin

But when I come back, boy, I'm comin straight outta Compton

Straight outta Compton, another crazy nigga

More punks I smoke, yo, my rep gets bigger

I'm a bad Verb - Base Form and you know this

But the Adjective Part of Body niggaz don't show this

But I don't give a Noun, I'ma make my snaps

If not from the records, from jackin the crops

Just like burglary, the definition is 'jackin'

And when illegally armed it's called 'packin'

Shoot

a Noun in a minute

I find a good piece o' Part of Body , I go up in it

So if you're at a show in the front row

I'm a call you a INSULT or Adjective Noun

You'll probably get mad like a INSULT is supposed to

But that shows me, INSULT, you're composed to

A crazy Noun from tha street

Attitude legit cause I'm tearin up Noun - Plural

MC Ren controls the automatic

For any dumb Noun that starts static

Not the right hand cause I'm the hand itself

Every time I pull a AK off the shelf

The security is maximum and that's a law

R-E-N spells Ren but I'm raw

See, coz I'm the Verb - Present ends in ING villain

The definition is clear, you're the witness of a killin

That's takin place without a clue

And once you're on the scope, your Part of Body is through

Look, you might take it as a trip

But

a nigga like Ren is on a gangsta tip

Straight outta Compton...

Is a brotha that'll smother yo' mother

And make ya sister think I love her

Dangerous \_\_\_\_\_ Noun raises hell

And if I ever get caught I make bail

See, I don't give a \_\_\_\_\_ Noun, that's the problem

I see a \_\_\_\_\_ Verb - Present ends in ING cop I don't dodge him

But I'm smart, lay low, creep a while

And when I see a punk pass, I smile

To me it's kinda funny, the attitude showin a nigga drivin

But don't know where the \_\_\_\_\_ Noun he's going, just rollin

Lookin for the one they call Eazy

But here's a flash, they never seize me

Ruthless! Never seen like a \_\_\_\_\_ Animal in the dark

Except when I unload, see I'll get over the hesitation

And hear the scream of the one who got the last penetration

Give a little gust of wind and I'm jettin

But

leave a memory no one'll be forgettin

So what about the INSULT who got shot? Verb - Base Form her!

You think I give a damn about a Noun? Pronoun ain't a sucker!

This is the autobiography of the E, and if you ever Verb - Base Form with me

You'll get taken by a stupid dope brotha who will smother

Word to the Verb - Present ends in S straight outta Comp
