Clayton Condon's bad \_\_\_\_\_ Noun will no longer remain here. am running at the age of \_\_\_\_\_ Number from my beloved city in Japan to find my fortune in Ninjago with hopes of finding joy.

I am not Japanese by blood. My \_\_\_\_\_ Noun is a fully fledged Ninjagoien and my \_\_\_\_\_ Noun is American raised in \_\_\_\_\_ Proper Noun. The thing I know of my father the most are his kindred.

Long before time had a name, Ninjago was created by the first \_\_\_\_\_ Silly Word one master, by using the four weapons of \_\_\_\_\_ Silly Word one: The \_\_\_\_\_ Proper Noun of Quakes, The \_\_\_\_\_ Noun - Plural of Lightning, the \_\_\_\_\_ Proper Noun of Ice, and the \_\_\_\_\_ Proper Noun of Fire. The weapons were so \_\_\_\_\_ Adjective, that no one could handle all of their power at once. When he \_\_\_\_\_ Verb - Past Tense away, his two sons swore to protect them, but the oldest was consumed by darkness, and wanted to \_\_\_\_\_ Verb them. A battle between the \_\_\_\_\_ Noun - Plural broke out, and the oldest was struck down and banished to the \_\_\_\_\_ Noun. Peace returned, and the younger brother hid the \_\_\_\_\_ Noun - Plural, but knowing his older brother's relentless ambition for power, he placed a guardian to \_\_\_\_\_ Verb them, and for fear of his own \_\_\_\_\_ Noun, a map for an honest man to hide. That \_\_\_\_\_ Adjective man was a \_\_\_\_\_ Noun, the father of one of the future \_\_\_\_\_ Noun. The older brother is Lord \_\_\_\_\_ Proper Noun, and Sensei Wu, who is the \_\_\_\_\_ Adjective - \_\_\_\_\_ Comparative brother, must find the Weapons before \_\_\_\_\_ Proper Noun in order to keep peace in Ninjago.
