A friendly hello!

Walking down the _____ Adjective _____ Noun I stumbled across your sign. Curious and _____ Adjective I decided to stop in and take a _____ Noun _____ Preposition or subordinating conjunction . I saw that it was a popular joint and seating was limited. I looked around for _____ Noun - Plural letting me know the rules but I couldn't find any. Being an _____ Noun myself I had an itch to make some _____ Noun - Plural but settled for a friendly _____ Noun . Seeing that you were local I felt a sigh of relief. Hopefully this place is full of _____ Proper Noun - Plural fans. While a longer rest sounds like _____ Noun this was but a stop and it's time to be on my way.
