The Republican Platform

Slight paraphrasing of Page 10 of the Republican Platform of 2012:

"[_____Name of Friend or Family Member in a Same-Sex Relationship_____ and _____Name of that Friend or Family Members Partner_____] represent an assault on the foundations of our society, challenging the institution, which, for thousands of years in virtually every civilization, has been entrusted with the rearing of children and the transmission of cultural values.

That is why Congressional Republicans took the lead in enacting the Defense of Marriage [From _____Repeat Name of Friend_____ and _____Repeat Name of Partner_____] Act, affirming the rights of States and the federal government not to recognize [_____Repeat Name of Friend_____ and _____Repeat Name of Partner_____ 's] relationship."

There's what the law says, and there's what the law means.
