# something

one day a Noun decided to get a life. He started Verb - Present Tense, and spending time with Noun. Eventually he grew so successful he was named the successful man. eventually he started to go Adverb. He lost his Noun, his Noun, and everything he ever had. All but his Noun and Noun - Plural. He said, i don't need all this stuff to anyway. Noun is the most important thing. And he was helped out by all his friends and family. He moved in with his Noun. the end.
