Tim & Julias Love Story

Julia Bazarewski and I, Tim Chandler, _____Verb - Past Tense_____ in May 2002 at a _____Noun_____ _____Noun_____ in Chatham, ON. We met through mutual friends that we both still keep in touch with to this day. Julia and I were just acquaintances at the time but throughout the years with myself working in Michigan we became close friends. Over those six years of me living in Michigan I had always enjoyed her company and had hoped that we would be together some day on a more intimate level. The night of our first official, date back in 2009 I felt a connection with Julia that I really cannot even explain. In all honesty I just knew in my heart that she was the women that would one day be my wife. Between 2009 and 2011 I diligently perused her and knew in this instance patience truly was the virtue. Julia and I fell in love the summer of 2011 and shortly after my work term had expired in Michigan. I asked Julia to my wife in October 2011 because I could not imagine living my life without her. Julia and I got legally married on February 3rd 2012. We are _____Verb - Present Tense_____ and have been saving for an outdoor summer wedding to celebrate with friends and family for next August.
